Please use the form below to apply to the BioEngineering Scholars Program (BioESP).

*I verify that I have applied and been accepted to the University of California, Berkeley, College of Engineering Bioengineering undergraduate (B.S.) major for Fall 2023.

   ○ Yes

   ○ No

*Last name (surname or family name)

*First name

*Email address

Optional: Your ethnicity (you may check more than one)

   □ African American

   □ Asian, Asian American (including South and Southeast Asian)

   □ Chicano / Latino

   □ Filipino
Are you aware if you are eligible for a Pell Grant?

- Yes, I am eligible
- No, I am not eligible
- Unsure

*Why bioengineering? What do you hope to accomplish in your bioengineering career?*
Your response is limited to roughly 400 words.

*Describe a significant challenge or barrier that you have encountered on your path to college. As a future leader in the field of bioengineering, how will you use your experience to make our field more inclusive?*
Your response is limited to roughly 400 words.

*How might you contribute to the diversity of the field of bioengineering? What unique VIEWPOINT would you bring to this year’s cohort? This could be a perspective you can express, a special skill, a unique experience, etc.*
Your response is limited to roughly 400 words.
* Have you participated in any internship, research or accelerated programs for future scientists? Your response is limited to roughly 150 words.
